What is more, you owe it to your fellow citizens to keep them informed. You will find that the general public, above which our colleges tower as isolated islands, is not only misinformed, but actually apathetic. If democracy is to succeed, the sovereign people must remain capable of solving the problems presented to them. Elementary education in the United States has equipped most citizens to understand the problems in their own back yard. They must now be taught that that yard is world-wide and then must be led along the proper paths towards the solution of their greater problems. It is up to each of you!

This responsibility appears tremendous. It becomes even more so if you are among those pessimistic souls who do not feel that the American electorate is capable of solving the domestic questions which present themselves. This merely adds to the challenge. Seldom before has a generation been called upon to address itself to such a terrific task. An old order is dying, a new society waits to be brought to

Nine Students to **Give First Honors** Recital Sunday

Nine students, each outstanding in his particular field of applied music, have been selected to perform in the first musical honors recital on Sunday afternoon, June 11, at 4:30 in Great Hall.

Selection for this program is comparable to taking honors in other departments. This recognition of applied music students is to be carried out annually.

The program includes vocal and instrumental solos as well as chamber music. Since it is to be given in Great Hall, Louise Shrader, organist, will not be able to play, but is included on the program. Lois Smith has been named first solo violinist, but will appear only in the chamber music group. The complete honors program is as follows Tocatta and Fugue in D minor, (Bach), Louise Schrader, organist 'Si tu m'ami' (Pergolesi), 'Swans (Kramer), Maxine Rhody, soprano and Ellen Johnston, accompanist; Valse Brillante, Op. 34, No. 1' (Chopin), Jean Stewart, pianist; 'Die Post' (Schubert), 'There's not a Swain on the Plain' (Purcell), Edward Shannon, tenor, Ellen Johnston, accompanist; 'Morceau de Concert' (Saint Saens), James Winter, French horn, Ellen Johnston, accompanist; 'Intermezzo, Op. 116, No. 6' 'Capriccio, Op. 116, No. 7 (Brahms), Marion Miser, pianist; Trio No. 21 in C Major' (Haydn) Lois Smith, violin, Ann Smith, celle and Margaret Augustine, piano.

'I am sure that after tomorrow evening everyone will agree with me that this is the best spring formal ever put on at Carleton,' declared Don Selby, co-chairman of the social committee, in an exclusive statement for the press. Selby went on to say that There is special entertainment planned that is sure to nterest everyone.

'Fashions in Music,' says Ayres, delineates a perfect 'music-meal.' It presents many types of music to suit every taste. It keeps just ahead of the changing musical pace with all its vogues and fads.

With 'Fashions in Music' in mind, Ayres and his men have compiled a complete library of music to be played by the orchestra. They have selected a library committee which passes on the acceptability of all arrangements.

Mitchell Ayres and his orchestra had their first success together at the Hollywood restaurant in New for seven months, and during that time became well-known through their broadcasts over the Mutual Tower' by Respighi.

The chaperons for tomorrow night't dance will be Dean and Mrs. Lindsey Blayney, Dean Adella Catton, Professor and Mrs. R. L. Henry, Professor and Mrs. I. M. Cochran, Professor and Mrs. J. P. Bird and Mrs. Harriet L. Repke.

7 Graduation Classes Give Contributions

Presentation Planned For Commencement Day, June 12

An electric carillon for Skinner Memorial chapel will be presented to the College as the gift from seven of Carleton's graduation classes, Senior President Hugh Kendall announced today.

The plan is to give the effect of real carillon by amplifying the chimes already in the echo organ loft. A sound-proof room, acoustically treated and adapted, will be built around the chimes and will house a delicate microphone.

Chimes Will Be Amplified

The music of the chimes will be ransmitted to an amplifier in the base of the tower and will be broadcast through four large loudspeakers set up out of sight in the belfry. The apparatus will be equipped with a volume control making it possible for the whole city of Northfield to hear the concerts if desired. The chimes will be played from the console of the organ as any organ

Contracts for the equipment were signed by Kendall Monday, and preparation of the instruments, which are being specially designed and constructed in Chicago, was begun immediately. The carillon, first of its kind in the Northwest, will be installed and ready for use by June 12. One similar in construc-

The formal dedication ceremony will take place commencement morning, June 12, at 10:00 on the front steps of the chapel. Kendall will make the presentation to Dean Lindsey Blayney, who will accept for the College. The first carillon concert will be part of the event.

The carillon is to be known as the gift of the classes of 1920, 1921, 1927, 1936, 1937, 1938, and 1939. Kendall, as class of '39 president, was instrumental in securing the cooperation of the seven classes to provide this \$1,000 gift. Dr. Arthur R. Burnstan, professor of economics, was faculty adviser.

A suggested schedule for carillon concerts is to have one every Sunday evening and on at least one evening during the week.

Show May Fete Second Time This Evening

Under powerful floodlights, the story of 'Sinbad the Sailor' will be danced again in an evening performance at 8:15 tonight on May Fete island.
